This official transcript has been transmitted electronically to you, and is intended solely for the requested purpose. Release of this record or disclosure of its contents to any third party without written consent of the record owner is prohibited. This document has been digitally signed and contains special characteristics.

If this document has been issued by the Nanyang Technological University, and this document is viewed using Adobe® Acrobat (v.6.0+) or Adobe®Reader (v.6.04+), it will reveal a digital certificate that has been applied to the transcript. This digital certificate will appear in a pop-up screen or status bar on the document, display a blue ribbon, and declare that the document was certified by Nanyang Technological University with a valid certificate issued by GlobalSign CA for Adobe®. This document certification details can be validated by clicking on the Signature Panel of the document.
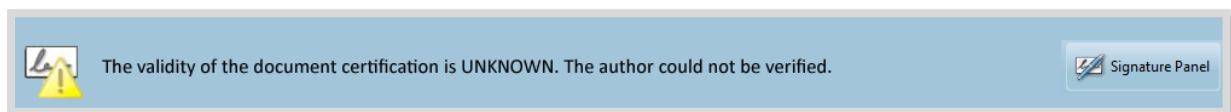

Valid Signature

When the blue ribbon indicates that the document is valid, the University's digital signature is true and authentic and the document's contents have not been changed or altered in any way.

Invalid Signature

If the blue ribbon indicates that the document is invalid, then the document should be rejected. The invalid status could be due to several reasons, such as an inauthentic digital signature or an alteration to the document. In all cases, reject a document that is invalid.

Author Unknown

If the blue ribbon indicates that the validity of the document is unknown, make sure the computer has an active internet connection. If there is a properly working internet connection and the digital signature cannot be validated, reject the document.
